lower cost. It gains cost advantage and sells its products and services of good quality at low cost. This is not available to smaller companies which operate at regional level.

ii. Quality Products

The resource, experience and expertise of MNCs in the sphere of research and development enables the host country to establish its research and development system which helps it in producing quality goods and services at least possible cost.

iii. Proper Use of Idle Resources

Because of their advanced technical knowledge, MNCs are in a position to properly utilise idle physical and human resources of the host country. This results in an increase in the National Income of the host country.

iv. Improvement in Balance of Payment Position

MNCs help the host countries to increase their exports. As such, they help the host country to improve upon its Balance of Payment position.

v. Technical Development

MNCs carry the advantages of technical development 10 host countries. In fact, MNCs are a vehicle for transference of technical development from one country to another. Because of MNCs poor host countries also begin to develop technically.

vi. Managerial Development

MNCs employ latest management techniques. People employed by MNCs do a lot of research in management. In a way, they help to professionalize management along latest lines of management theory and practice. This leads to managerial development in host countries.

vii. End of Local Monopolies

The entry of MNCs leads to competition in the host countries. Local monopolies of host countries either start improving their products or reduce their prices. Thus MNCs put an end to exploitative trade practices of local monopolists. As a matter of fact, MNCs compel domestic companies to improve their efficiency and quality.

In India, many Indian companies acquired ISO-9000 quality certificates, due to fear of competition posed by MNCs.

viii. Improvement in Standard of Living

By providing super quality products and services, MNCs help to improve the standard of living of people of host countries.

ix. Promotion of international brotherhood and culture

MNCs integrate economies of various nations with the world economy. Through their international dealings, MNCs promote international brotherhood and culture; and pave way for world peace and prosperity.

Disadvantages

i. Danger for Domestic Industries

MNCs, because of their vast economic power, pose a danger to domestic industries; which are still in the process of development. Domestic industries cannot face challenges posed by MNCs. Many domestic industries have to wind up, as a result of threat from MNCs. Thus MNCs give a setback to the economic growth of host countries.
