2. Family Floater Policy

It covers the hospitalization expenses for entire family up to the sum assured limit.

3. Unit Linked Health Plans

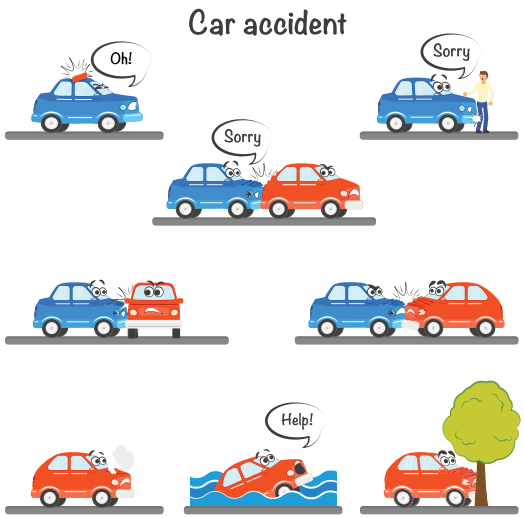

This policy combines health insurance with investment and pays back an amount at the end of the insurance terms.

Health Insurance provides following types of coverage:

Medical expenses – It covers the expenses of hospitalization/nursing home bills and doctors' services.

Disability income – It replaces the income lost while the insured is unable to work.

Claims Settlement

There are two ways by which health insurance claims are settled:

a. **Cashless:** The claim amount needs to be approved by the TPA and the hospital settles the amount with the TPA. (TPA or Third Party Administrator is a middleman between Insurer and the Customer)

b. **Reimbursement:** The insured avails himself or herslef of the treatment and settles the hospital bills directly at the hospital. The insured can claim reimbursement later on by submitting relevant bills/documents for the claimed amount to the TPA

(d) Miscellaneous Insurance

(i) Motor Vehicle Insurance

This is also known as 'Auto Insurance'. This policy comes under General Insurance. This insurance has become very popular and is gaining importance. In motor insurance the owner's liability to compensate people who were killed or injured through an accident is passed on to the insurance company. The premium rate under this policy is standardized.

(ii) Burglary Insurance

This policy comes under the category of insurance of property. Any loss of damage
