The preparation of the sales book is similar to that of purchases book. The entries are made in the sales book on the basis of copies of the invoice sent to the buyer.

Format

Sales Book

Date	Particulars	L.F.	Invoice No.	Amount `	
				Details	Total
Date of sale	Name of the customers and the details of goods sold	Posting reference		Detailed calculations	Net amount of the invoice

In the date column of the sales book, the date of credit sales is recorded. Particulars column contains the name of party purchasing goods or the party to whom goods have been sold. It also shows the details of goods as regards its quantity, quality, other descriptions and the rate of trade discount allowed. In Ledger Folio (L.F.) column the page number of debtors account in the ledger is recorded for reference. The amount of various items of the goods sold is entered in the details column. Adjustments for trade discount, packing charges, etc., are made in the details column. In the total column, the net amount payable by individual customer is recorded. The total of the amount column is the total credit sales during the period.

6.7.1 Posting from sales book

After the transactions are recorded in the sales book, posting them to ledger involves two steps:

Step 1: **Posting to personal accounts of debtors:** Every day, each entry is posted to the debit side of the respective personal account of the debtor.

Step 2: **Posting to Sales account:** At the end of the month, the aggregate of the sales is posted to the credit side of sales account by writing the words 'By Sundry debtors A/c'.
