PREFACE

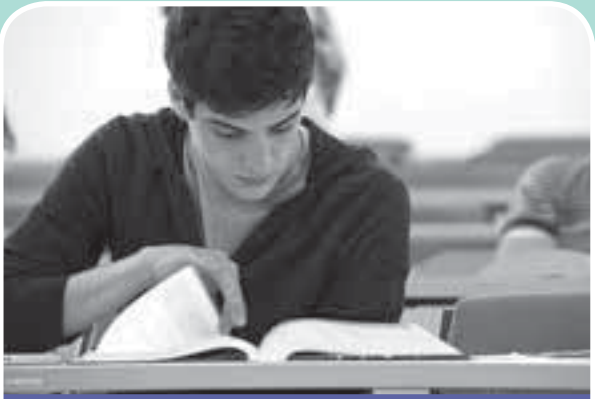

XI - GENERAL ENGLISH

The 21st-century learner needs to be able to competently collaborate, think critically, solve problems and access digital resources proficiently. Therefore, the revised text books for English Class XI are based on the communicative approach that recognizes our learners' need to

- Seamlessly integrate the use of the four major language skills, namely, listening, speaking, reading and writing, naturally and confidently.
- Develop an attitude of enquiry and skills for independent research. [Higher Order Thinking Skills – **HOTS**]
- Continue to use English effectively and appropriately for study purposes across the curriculum at +2, and in future academic, professional / vocational and social contexts.
- Fluency and accuracy in speaking and writing is scaffolded by clear guidelines with examples to ensure appropriate use of format, style, structure etc.
- Clear, simple guidelines that address learners directly, would support efficient class organization, namely, individual work, pair work, small group work and whole class work.

The syllabus aligns with the recommendations of the National Curriculum Framework 2005.

HOW TO USE THE BOOK

- Warm-up activities lead the students to the theme of each lesson.
- Wide variety of genres with learning experiences to promote discussion and writing with clarity and creativity facilitate the learners to analyze, interpret and extrapolate the texts for appreciation and understanding.
- 'Item boxes' are given wherever suitable, to encourage them to read beyond the prescribed texts.
- Language skills are reinforced by relevant 'check-points', intensive practice in speaking, listening, reading and writing.
- Vocabulary is expanded and grammar is internalised.
- Genres, with activities are provided to read independently for pleasure and appreciation, and independently explore resources.
- Innovative features like **Grammar games, ICT Corner, Infographics and Learning Links** are given that lead the learners to further learning.
- A unique feature of the book is the Career Guidance suggestions that expose the students to a range of opportunities available for Higher Education.
