Reading

Have you heard of Open Letters?

An **open letter** is a letter that is intended to be read by a wide audience, or a letter intended for an individual, but that is nonetheless widely distributed intentionally through newspapers and other media, such as a letter to the editor or a blog.

Sociologists, scholars, anthropologists and historians have written open letters. Letters patent are another form of open letter in which a legal document is both mailed to a person by the government and publicized so that all are made aware of it. Open letters can also be addressed directly to a group rather than any individual.

Reading such letters will also help to improve your vocabulary. Here are some easy ways to improve and expand your vocabulary.

- Read as much as you can. As you read, try to understand the meaning of new words from the context or by referring to a dictionary.
- When you refer to a dictionary, learn the pronunciation, meaning, synonyms, antonyms and derivatives of the word.
- Note down the new words you learn for future reference.
- Make it a habit to learn one new word a day.
- Play word games such as word search, crossword, scrabble etc. to expand your vocabulary.
- Listen to conversations, learn and discover new words and then start using them.
