1. Name any 2 Indian Multinational Companies in abroad?
2. Name any 2 Foreign Companies in India?

For Future Learning

Multinational companies establish themselves in developing countries to enjoy huge profits by selling consumer goods or luxury items. They start business by offering wide variety of goods at prices cheaper than local retailers offer. But once they are established they increase prices.

a. State the values the government of a developing country ignores while allowing MNCs to establish in their country.

b. What value do the MNCs violate?

Case Study

Public enterprises are established to achieve the goal of economic and social development of the country. They are managed and controlled by Central or State Governments through ministers or government officials. Many times their poor performance i influences the policy formulation and running of the enterprise into loss. Even the big business houses use their influence and get the policies formulated in their favour. State the role of ministers or government to frame the policies for the success of public enterprises.
