For Own Thinking

1. Many products are available near the residence of people.How do these products reach the shops from the manufacturers?
2. Identify various fixed shop retailers in your locality and classify them according to the different types you have studied.
3. Do you know any retailer selling second-hand goods in your area? Find out the category of the product that they deal in? Which products are suitable for resale? List out some of your findings. What conclusions do you draw?
4. From your own experience, compare the features of two retail stores selling the same type products.

Exercise

1OU43
