## 8.1 Liberalism

Liberalism is the most important ideology of modern political theory. It emerged in the 17th century and continues to be the most widely followed Idealogy in the contemporary world. The etymology of the word liberalism is from 'Liber' that means liberty. The supporters of the Spanish Constitution in the 19th century made the word popular by calling themselves as liberals. Now western countries like United States of America, the United Kingdom, Canada, and Germany adhere to the tenets of liberalism in politics and economy.

Liberalism chronologically had experienced three major phases. In the first phase till 1930 it was called as 'Negative Liberalism'. The second phase termed as 'Positive Liberalism' emerged after the Great Economic Depression and lasted up to the 1970s. The third phase,
