DO YOU KNOW?

Franklin D. Roosevelt was the longest serving President of the United States. He played a splendid role in the development of the country by lifting it out of the Great Economic Depression through his New Deal Program. He inspires millions of people even now. He was a heavily paralyzed polio victim. The inspiring slogan in the 1932 elections was that here comes a man on wheels to set America again on the wheels of progress. He presents the winning spirit of positive personality in the ocean of adversities in life.

Positive Liberalism brought out the new concept of Social Welfare State. This concept projects the State as a positive instrument for the promotion of social welfare. The role of the State is to provide social service to the people. It should construct and maintain hospitals, educational institutions, factories and industries, infrastructural facilities like roads, railway tracks and ports. The State also came to be known as Social Democratic State, a nomenclature that explains the significance of democracy in the constitution of a positive State.

The rights of the people can be modified so that the welfare of society can be promoted. Positive liberalism supports a close relationship between rights and duties and argues for Social Welfare theory of Rights. Similarly, freedom is positive in content. While Negative Liberalism expounded freedom from the State, Positive Liberalism recommends freedom through the State. Freedom does not mean being free from the interference of the State but adhering to the social welfare activities of the State. Freedom through the State and not from the State is their theme.

The economy must be regulated by the State so that alternate, painful appearance of economic boom and depression can be averted. Progressive taxation can be adopted by the State to generate resources required for its social welfare activities. Similarly, the State has power and authority to adhere to economic strategies like bank nationalisation, minimum wages and reservation of industries as public sector to bring in the uplift of all sections of society.

Positive Liberalism was followed in the western democracies for many decades from 1930s. But gradually philosophers
