DO YOU KNOW? Article 326 of the Indian Constitution says that the elections to the Lok Sabha and to the Vidhan Sabha of every state shall be on the basis of Adult Suffrage.

Although elections were used in Ancient Athens, Rome and in the selection of Popes and Holy Roman Emperors, the origins of elections in the contemporary world was in the gradual emergence of representative government in Europe and North America which began in the 17th century. In a representative democracy elections are extremely important. Voting, in elections is the best way to make your voice heard. One fact that makes elections more important is when political parties try to suppress voting with the use of laws to disallow people to vote. Election and representation is the core for the formation of government.
