In various countries of the world, rural and urban local governments are organized differently. However, the basis and principles of which local governments are being established are almost same. Local governments are being established for the local people with revenue predominantly derived from local resources. The upper layer of the governments normally does the function of supervision and monitoring the local bodies

12.3 Local Government around the world

Local Governments are as old as that of human civilization and in many countries around the world local governments are the foundation upon which the modern state is established. A preliminary reading about the Local Governments in various countries of the world show us that large or small, developed or under developed, some form of Local governments exist to deliver amenities and services at local level.

However they differ widely in their structure, powers, functional domain, fiscal resources etc. In many of
