Ideal State and Welfare of people

In the monarchical rule, the integrity and ideal governance for all periods were advocated by Valluvar. People of all regions expect rain for their growth; likewise, citizens of a nation expect integrity and ideal rule of the king.

வானோக்கி வாழும் உலகெல்லாம் மன்னவன்
கோல்நோக்கி வாழுங் குடி. (குறள்: 542)

All earth looks up to heaven where raindrops fall;
All subjects look to king that ruleth all. (542)

In this couplet Valluvar indicates "Kol" as ideal rule which not only applies for monarchy but also for democracy.

குடிதழீஇக் கோலோச்சும் மாநில மன்னன்
அடிதழீஇ நிற்கும் உலகு. (குறள் 544)

Whose heart embraces subjects all, lord over mighty land
Who rules, the world his feet embracing stands. (544)

This means that for a King, who protects his citizens with love and affection, his feet will be embraced by his subjects with love. This is an everlasting phrase propounded by Valluvar related to good governance.

Against Tyranny

In the chapter "Kodungonmai", (Cruel Scepter) Valluvar explained it in negative words. The suppressive and exploitative rule of evil king may kindle unknown and indefinite agonies among the people. Those tears are most powerful and may annihilate the entire kingdom.

அல்லற்பட்டு ஆற்றாது அழுதகண் ணீரன்றே
செல்வத்தைத் தேய்க்கும் படை (குறள் 555)

His people's tears of sorrow past endurance, are not they
Sharp instrument to wear the marches wealth away.
(Kural: 555)

Sad tears of suffering citizens may dethrone and destroy the entire government, says Thiruvalluvar. Tears were equated with army, thus Valluvar's visualization stands unique among others.

Autocrats and Dictators like Hitler, Mussolini and Czar were the negative players for whom, Thirukkural served as a funeral sound.

Government's Budget

A king should be an able handed administrator in increasing the income of government. Further he should be an expert in handling the budget.

In Iraimatchi, he said,

இயற்றலும் ஈட்டலும் காத்தலும் காத்த
வகுத்தலும் வல்ல தரசு. (குறள் 385)

A king is be who treasure gains, stores up, defends,
And duly for his kingdom's weal expends. (385)

At first point, a king should search for the different sources of income. For this, he calls it as "Iyatral". Then, the second point is that, all such resources should be put together, which is called as "Ettal". Third, the resources thus collected must be protected with all precautionary measures which is called as "Kaathal"

Fourth one, is most important (i.e) allotting the resources to various sectors for the welfare of the people, this he called it as "Vagutthal". Thus iyatral, eetall, kaathal and vaguthal are the four ways of utilizing the income to be expertise by the king of nation. It is a primary duty of the king.

These innovative and practical ideas were accepted by political and as well as economic exponents as the basic idea of socialistic society.
