DO YOU KNOW?

The forests of the Silent Valley National Park in Kerala on the Western Ghats are the last remaining tropical evergreen forests in India. It is part of the Nilgiris Biosphere Reserve

**Tropical Rain Forest**

## Student Activity

**On the outline map of the world draw the equator and colour and label the following.**

1. Show the areas of tropical rain forest, tropical grass land, and Tropical desert in Africa and South America in both the hemispheres.
2. Colour and label the Taiga forest and it is the longest belt of distribution. Reason out why so.

   _____

   _____
3. Find out why Tropical deserts are on the western margins of the continents.

   _____

   _____
4. Give two reasons for their pole ward distribution.

   _____
