Gravitation

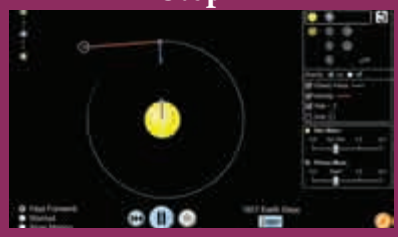

Through this activity you will be able to learn about the gravitational force and orbital paths.

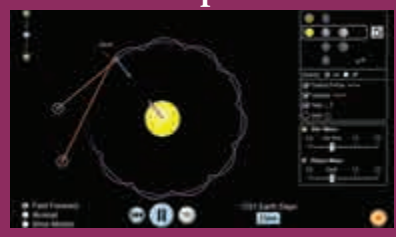

STEPS:

- Click the URL or scan the QR code to launch the activity page. Click on the box labelled "Model" to start the activity.
- In the activity window, a diagram of sun and earth is given. Click the play icon to see the motion of earth.
- We can change the objects by selecting objects from the table given in the right side window.
- The path of the gravity, velocity and the object in motion can be viewed. Check on the relevant boxes given in the table.
