B. Service Enterprises

They refer to the enterprises engaged in providing or rendering of services.

The limit of investment in plant and machinery/equipment for manufacturing/ Service Enterprises is notified as under.

21.02 Role and Significance of MSMEs

1. Employment Potential

MSMEs generate more employment opportunities than large business concerns. They are mostly labour intensive, thus they provide more employment opportunities to a larger number of people in India.

2. Low Production Cost

MSMEs do not require skilled labourers or professionals to run the organisation. It employs cheap labour and thus minimizes the overhead. These units are more cost efficient than large scale units, thus facilitates production of goods at low cost.

3. Low Investment

MSMEs do not require a huge capital to start the unit. It can employ locally available resources within the reach of the owner. They help to perfect and promote traditional family skills and handicrafts. These industries facilitate the growth of local entrepreneurs and self employed professionals in small towns and villages.

4. Quick Decision Making

MSMEs need not hire professional managers to run the management on a day to day basis. In most cases, owner himself manages the enterprises. Hence, timely decision making becomes easy and effective.
